

**Efficient Pharmacy:**  
Powered by American Health Packaging

**NEW UD FROM AHP!**

## Imatinib Mesylate 100mg and 400mg Tablets

American Health Packaging recently launched Imatinib Mesylate 100mg and 400mg Tablets. This highly anticipated unit dose product is now in stock and ready to be ordered.

Packaged in a highly regulated cGMP facility, AHP products support medication bedside scanning for hospitals and LTC facilities nationwide. Our pre-packaged format enhances pharmacy operational efficiency by allowing staff to better focus on other critical patient care duties. Accurate barcodes scan easily as intended.

- Over 550 SKUs- many are industry exclusives
- Barcoded to the dose level
- Extended dating to avoid spoilage
- Color-coded labels with Tall Man lettering provide for added safety in selecting the correct product for dispensing
