

Continuing to Deliver on our Commitment to Patient Safety!

Potassium Chloride

Oral Solution, USP 10%

New Liquid Unit Dose from AHP!

Customers have asked us to deliver barcoded liquid UD that offers the same safety and efficiency benefits as our industry-leading oral solids products. We continue to deliver on that commitment.

Product Features

- Pull-tab label for ease of opening and administering product
- Thicker gauge cup with excellent label seal integrity to avoid costly damage and clean up
- Differentiated labels provide visual guidance to distinguish between sound-alike, look-alike drugs
- LUD cup and storage trays designed for limited storage space

NOW IN STOCK AND READY TO BE ORDERED!
